

# Hereford Leisure Cycle Ride

5 miles - easy

6 miles - easy with some 'off-road'

**Key:** ★ Place of interest      WC WC      i Tourist information

## Directions key:

Directions have been abbreviated as follows -

R Right      L Left      SO Straight Over  
T T-junction      SP Sign Post

Escape from Hereford and reach traffic-free, open country in minutes. Starting from The Great Western Way, a city centre cycle/pedestrian track, the route is perfect for families and occasional cyclists. The off-road cycling can become muddy and rutted after wet weather, especially the woodland section. The shorter route stays on surfaced lanes.

## Travel information

Trains to Hereford offer restricted cycle carriage. National train information: 08457 484950

### Cycling with care

It is safest to follow the route clockwise. The lanes are shared with other vehicles - please take care. Wear brightly coloured clothing and use lights after dark so that you can be seen. Follow the Highway Code at all times. Cycle helmets are recommended, especially for children.

Grateful thanks to Paula McGivern for research and design of cycle route
